

Remarks

Claims 30-44 are pending in the subject application. Applicants hereby reaffirm the election to prosecute the invention of Group I (claims 30-40) and SEQ ID NO: 1, without traverse. By way of this amendment, claims 45-65 have been added (support for the new claims may be found, for example, in previously presented claims and pages 11-19 of the as-filed specification) and previously pending claims 30-44 have been canceled to simplify prosecution of the claimed invention. Accordingly, claims 45-64 are currently before the Examiner and read on the elected invention with claim 65 standing withdrawn from consideration. Favorable consideration of the pending claims is respectfully requested.

Applicants believe that the pending claims are in condition for allowance and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

Frank C. Eisenschenk, Ph.D.
